An Equal Opportunity Employer

Parents,

As a result in the rising number of Covid cases in the district, we are offering all students a Covid related excused absence for January 18th through January 21st. School will still be open as normal, but parents who would like to keep their children at home during this week, have the freedom to do so. Parents of students in grades K-2 will be able to pick up the week's packet of materials starting Wednesday, Jan. 19th. Students in grades 3 to 5 will have their assignments posted on Classroom Dojo, and students in grades 6-12 will be able to access their assignments on Google Classroom. Please make sure your students complete the assignments the teachers are making available to them.

The District is strongly encouraging students who come to school and staff to wear masks. We have also stocked all classrooms with extra sanitizing wipes and hand sanitizer.

Please notify your school's attendance clerk if you are choosing to keep your child at home during this week.
